EASTER

Christmas has a large and colorful cast of characters: The three principals, the Angel Gabriel, the Inn keeper, the Shepherds, the Heavenly Host. We know about the birth of Christ in all its detail. The Manger is as familiar as our own home. We have made a major production of it.....

WITH EASTER IT IS ENTIRELY DIFFERENT.

The Gospels are far from clear as to just what happened. It began in the dark. The stone had been rolled to one side. Mary Magdalene seems to have gotten there before anyone else. Did Jesus appear at the tomb or only later? What did He say? What did He do?

The Easter Story is not a major production at all. The minor attractions we have created around it, the bunnies, the baskets, the dyed eggs, have so little to do with what it's all about that they neither add much nor subtract much. It's not really much of a story when you come right down to it. It doesn't have the ring of great drama. *What it has is the ring of truth!*

If the Gospel writers had wanted to tell it in a way to convince the world that Jesus indeed rose from the dead, they would have done so with all the skill and fanfare they could muster. Here, there is no skill, no fanfare. *They seem to be telling it simply the way it was.*

To be sure, something unimaginable happened! **HE ROSE FROM THE DEAD.**

A few people saw him briefly and spoke with him. That is the essence of the Easter Story. If it is true, there is nothing left to say. If it is not true, there is nothing left to say. For believers and unbelievers both, life has never been the same again. For some, neither has death (*been the same again*).

Because of *the day of Resurrection*, human existence has greater depths of beauty, joy, and benediction than even the wildest visionary has ever dared to dream.....

ALLELUIA, CHRIST OUR LORD IS RISEN!

SEARCH COMMITTEE REPORT TO THE CONGREGATION

March 22, 2017

I would like to take a moment to update the congregation on the status of our search process for the Rector of St. Peter's Episcopal Church.

The Search Committee had a dinner meeting and orientation session with Joann Saylor, Canon for Deployment and Congregational Development, on January 19th. Spouses were in attendance for the first part of the meeting and were informed as to what to expect for their spouse's time commitment, and the need to maintain candidate's privacy at all times.

We then had a series of meetings where we first reviewed the Parish Profile in depth to be sure we had a good understanding of it and to answer any questions or concerns we might have as we discuss this with potential candidates. From this review and a review of the Search Process Guide we were given, we began to develop questions we would ask candidates during an interview process. This took multiple meetings and a lot of correspondence to develop and refine relevant questions.

On March 9th, Joann met with us again at which time she presented us with a list of names of potential Rector Candidates. The list contained 15 names, from seven different Dioceses, and four different states including Texas. It is a very diverse list of candidates which we feel meets the Vestry's desire for an expanded search, not limited to the Diocese of West Texas.

Our next step was to send out a letter from me, representing the Search Committee and St. Peter's Parish to ask each candidate if they would be interested in being a part of our search. These letters were sent on Monday, March 13th, with a date of April 5th for necessary reply. Considering the significant life change this decision means to a Candidate and their family, we do not expect an immediate response from each person on the list.

As of now we are scheduled to meet on April 5th. At that time, we will review the responses, make decisions on how to determine which candidates best fit our Parish Profile and therefore will need to be scheduled for a visit and interview from Search Committee Members. We will most likely make these visits in groups of three committee members. From these visits, we develop a list of finalists, and eventually the candidate we will recommend to the Vestry for consideration to be the next Rector of St. Peter's.

As you can see, the search for the new Rector of St. Peter's is in full swing and at a point where we need your prayers more than ever. We ask that every member of our congregation pray for discernment not only for those of us on the committee but also for all those on the list of potential candidates. If that happens, we are assured that God will lead us one and all to a successful conclusion of this process.

Faithfully yours,

Mickey Horany
Chair St. Peter's Rector Search Committee

SUNDAY SCHOOL

REMINDER that Sunday School is offered every Sunday during the 9:30 am church service for children through 5th grade. Parents are asked to drop their child(ren) off in the chapel before they head to church. The children will pray together, recite the Lord's Prayer, sing songs, have a craft and hear/discuss a bible story. Most Sundays one of the priests will visit with the children for a few minutes in chapel. The children will re-join their parents during the Passing of Peace so they may enjoy communion as a family. If your child is 2 years old or younger they will remain in the Children's Center.

LOST WOMEN OF THE BIBLE: THE WOMEN WE THOUGHT WE KNEW

The book study, LOST WOMEN OF THE BIBLE: THE WOMEN WE THOUGHT WE KNEW, by Carolyn Custis James, which is for women of all ages will be gathering in Tucker Hall for their next class on Thursday, April 6 from 5 pm until 7 pm. There will be refreshments from 5-5:30 pm. The class will begin promptly at 5:30. St. Peter's will provide the non-alcoholic punch and wine along with a few ladies who have volunteered to bring an appetizer to share. This month there will be a focus on two chapters: Life in the Margins – Sarah and The Invisible Woman – Hagar. There will a performance by Jane Elwood as both Sarah and Hagar. Please be sure you have read the chapters and looked at the questions. It truly helps with class discussion. Ladies, I do hope you are can join us!

Love Not Nails

God created each one of us with the unique ability to experience emotion. Genesis 1:27 tells us that we are created in the image of God. We know that God is emotional. God creates emotions, for us, to know him and for him to know us on a deeper level. Examples of emotion are: joy, anger, sadness or sorrow. The world has taken possession of the concept of emotion and forgotten the original intent. Passion is a powerful emotion, emotion to the n-th degree. I did not include Love purposely. Love is more than a feeling or an emotion. It can act as an emotion or feeling but it is the reality of God in this world and moreover is action. 1 John 4:8 defines God as Love. ⁸Whoever does not love does not know God, because God is love. 1 John 4:8 NIV

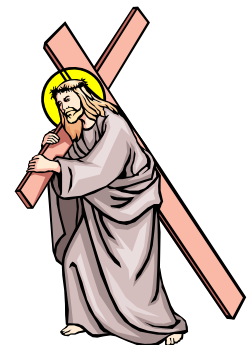

As we walk the Way of the Cross, the Way of Love, we must journey with Jesus through the pain of His Passion. We revisit that pain each year as a church but maybe more often as individuals. His Passion, which involves pain, leads the way to the cross, which leads us to the joy of His Resurrection, culminating in our Eternal Life. We experience pain on a regular basis. It is easy to get bogged down in the pain of the moment. Remaining in the pain of the moment can result in bitterness, frustration, resentment and anger. Allowing the pain to lead us to the joy of His Resurrection results in Joy and Peace and ultimately Eternal Life.

The Passion of Jesus Christ, the last week of Christ's life culminating in his death and resurrection is more than a purely powerful emotion or feeling. It is the reality of God in this world, an action. The Passion of Jesus Christ is the Love of Jesus Christ. It was not the nails that held him to the cross but His Love that held him. This Love has an object, or recipients. *These recipients are you and me.* It was his Love for you and me that held him to the cross. The Passion of Jesus Christ is Love and it is for you!

I pray that this Easter Season is full of Passion, Passion for Him as His Passion is YOU!

God's Love & Peace

BLESS !!!
Fr. Tom III

FEBRUARY VESTRY REPORT

The vestry met on February 27, 2017. The idea for a "Noisy Offering" was discussed. Barbara announced the "Abide in Me" conference to be held at TMI on June 3, with workshops on several topics, followed by the investiture of Bishop David Reed as Bishop of the Diocese of West Texas. All are encouraged to attend the conference and/or the investiture ceremony. Junior Warden Lee Underwood discussed a roof leak in the roof of the breezeway between the office and Tucker Hall. A roofing company was contacted to offer an estimate. Our dumpster will be emptied twice weekly instead of three times which will save \$1900 per year. Chrisie Jennings reported that January was a good month financially with giving and expenses being on target. Lee suggested we resume recycling through scrap solutions, details to be worked out. A cleanup day was announced for March 25. Deborah Rommel and Megan Russ will join Rich Schneider and Patrick O'Fiel on the joint Vestry/School Board committee. Barbara announced the hiring of a music director/organist. She announced that March 12, would be David Miron's first Sunday at St. Peter's. Megan Russ reported on the parents' meeting for children's Sunday school and announced a special Lenten series to be taught by parent volunteers.

MARCH VESTRY REPORT

The vestry met on March 20, 2017. We had a visit from Search Committee chairman Mickey Horany. Mickey reported that 15 names of potential candidates were given to the committee by the Diocese. Letters were mailed to the 15 people on the list with an April 5, deadline for a response indicating their interest in moving forward in the search process. We are hoping that the committee will have a name to present to the vestry by mid-June. Megan Russ reported that Sunday School is going well with around 30 children in attendance. It was reported that our first "Noisy Offering" raised \$265.47 which will be donated to buy hay for ranchers affected by the wild fires in the Texas Panhandle. Lee reminded us of the cleaning day on March 25.

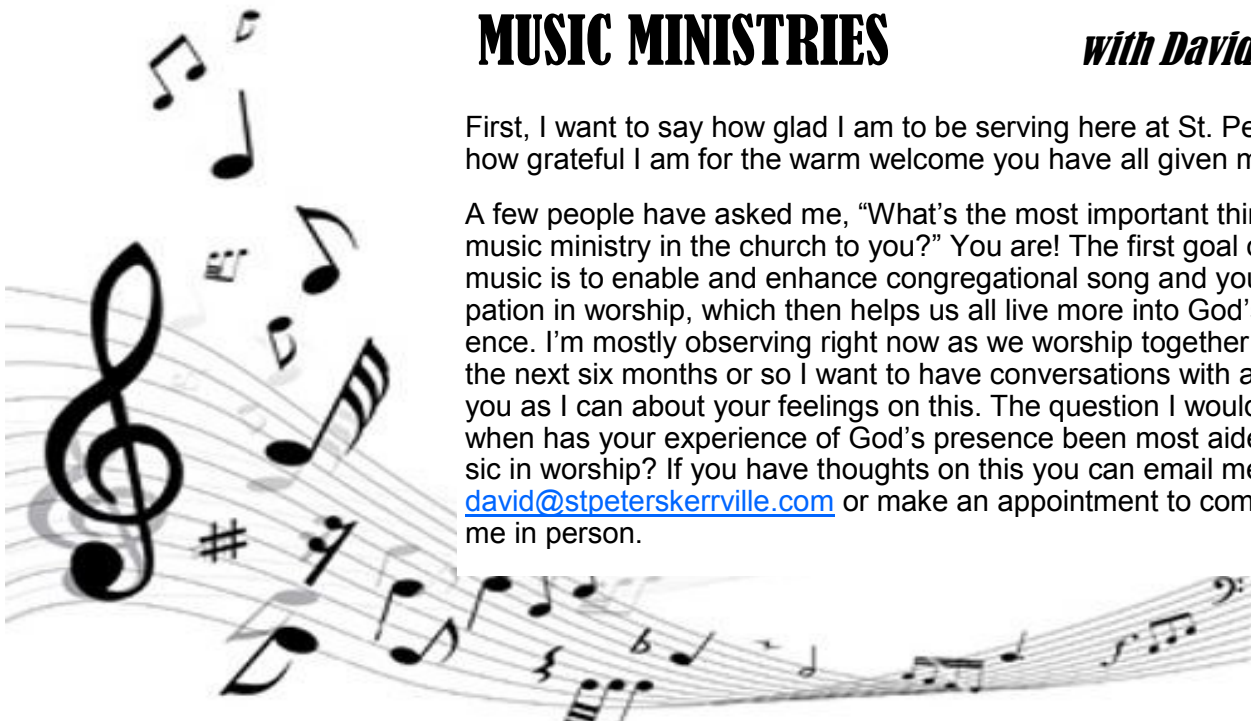

MUSIC MINISTRIES

with David Miron

First, I want to say how glad I am to be serving here at St. Peter's and how grateful I am for the warm welcome you have all given me!

A few people have asked me, "What's the most important thing about music ministry in the church to you?" You are! The first goal of church music is to enable and enhance congregational song and your participation in worship, which then helps us all live more into God's presence. I'm mostly observing right now as we worship together, but over the next six months or so I want to have conversations with as many of you as I can about your feelings on this. The question I would ask is: when has your experience of God's presence been most aided by music in worship? If you have thoughts on this you can email me at david@stpeterskerville.com or make an appointment to come talk to me in person.

A SPECIAL OFFERING COMING ON GOOD FRIDAY, APRIL 14th

Some years ago I had the opportunity to write meditations on
“THE SEVEN LAST WORDS FROM THE CROSS” as experienced, from the perspective of
LONGINUS, ROMAN CENTURION,

The Commanding Officer of the execution squad that first Good Friday

Our service will begin at noon on Good Friday and conclude at 3:00 p.m.,

corresponding with the time our Lord was on the Cross. There will be
Meditations on the Seven Last Words, followed by prayer, silence, organ,
and hymns. Each “segment” throughout the three hours is some twenty five
minutes (you are free to come and go during these periods of silence), but, I urge you, if
possible, to arrange your schedule allowing you to remain for the entire service.

As it was for Longinus, it just might be a life changing experience for you.

Longinus begins: *“My men and I were assigned to the execution detail on that particular*
Friday. Crucifixion was nothing new, we did it all the time... ..but, this one, this
prisoner, was different. I could sense it from the very moment we were summoned to
take him away to Golgotha and crucify him... ..

Longinus concludes: *“There are decisions to be made at the Cross that determine*
character and destiny – there is no evasion possible. Evasion itself is a moral decision,
though a negative one... ..

SEE YOU AT THE FOOT OF THE CROSS GOOD FRIDAY.

A Note from the Senior Warden

In my time as Senior Warden, St. Peter's Church and I have been blessed in many ways. It was an honor to serve as Stockton's last Senior Warden before his retirement. We have all appreciated the blessing of Father Dick as Interim Rector. Working with Fr. Dick and Fr. Tom as well as all the office staff, has been a wonderful experience. I can assure you that our church is blessed to be in such good hands. I was excited to attend Diocesan Council where we elected a Suffragan Bishop that I believe will be a dynamic spiritual leader for the Diocese of West Texas. Most recently, David Miron, our wonderful new Music Director/Organist was led to us. A delightful answer to our prayers, David is an excellent, versatile musician. If you have not yet met David, I urge you to stop by the organ on a Sunday morning to introduce yourself and welcome him with a warm St. Peter's welcome. He and Kara Joy make a great team.

The Lenten Soup Suppers have had good attendance with great speakers and excellent soup! Hopefully you have been attending. If not, you will have one last chance on April 5. Then comes Palm Sunday, Maundy Thursday, Good Friday, the Easter Egg Hunt and the Easter Vigil on Saturday, and Easter Sunday! I hope you will attend at least some of these Holy Week events.

Save the Date! The ECW Mother/Daughter/Son tea will be on Saturday April 29, at 3:00 PM. All women, mothers, grandmothers, daughters, granddaughters, sons and grandsons are invited to come for another chance to wear your Easter finery, and enjoy some fun activities, good food and tea.

Our first "Noisy Offering" was a great success. A "Noisy Offering" is a special offering, gathered by the children for a designated cause. We gathered \$265.47 to benefit the cattle ranchers in the Texas Panhandle who have suffered devastating wild fires. I believe there are plans to make the "Noisy Offering" a quarterly event, so save your coins. The more coins we gather, the noisier the offering!

The Habitat Build is coming along, though there has been a lack of volunteers. Please contact Chrisie Jennings and volunteer if you are able. Not handy with tools? You can cook a lunch to serve the volunteer workers. Contact Ellen Schoenfeld if you are able to provide a meal.

Have a Blessed Holy Week and a Happy Easter. Until next time, I'll leave you with this:

I want to know Christ-yes, to know the power of His resurrection and participation in His sufferings, becoming like Him in His death." **Philippians 3:10**

ST. JEROME JOTS

The rare opportunity to have a preview of a work in progress will be our program at the April 5, 2017, meeting of the St. Jerome Library Guild. Please join us in the church library at 2:00 P.M. when Lorraine Le'Mon will be our speaker.

Lorraine is writing a book about a young girl's painful but extraordinary journey through abandonment to triumph. At one of her lowest points she discovers a force greater than herself and makes a secret covenant connection that will become the bedrock for the rest of her life. Providing her with a renewed resilience that only eagles dare, she searches for answers that may never come. Daily facing unbelievable odds, she realizes there is a bigger plan in the making far beyond her wildest dreams

This revelation creates an unspoken melody in her soul that she sleeps and awakens to every day of her life. Like a hammer wielding in the depth of her soul this tune rings out the one resounding sound which became her breath...her life...her mantra...killing those moments of desperation with these unending words... you CANNOT let go...you CAN NEVER give up...and that she must *DO IT...NO MATTER WHAT!*

Because the book will cover her life from a child to an adolescent to a young adult, Lorraine has chosen to write it in three parts. *The Sun Will Rise Tomorrow...It's Ok* is the main title of the book...however, the subtitle of each book will be different, Book One: Juke Joint Girl: DO IT...No Matter What!; Book Two: The Sun Will Rise Again: DO IT...No Matter What!; and Book Three: God!...What were you Thinking!!!: DO IT...No Matter What!

In 2003 Lorraine founded Art2Heart and serves as executive director. A2H is a non-profit organization dedicated to helping young people become leaders for the 21st century by teaching leadership qualities and promoting character enrichment through reading, writing, art, and theater. A2H is located at BCFS in Kerrville. You can check out A2H on their website at art2heart.org, Facebook, and Twitter to keep up to date on their latest programs and events.

Lorraine is a motivational speaker, singer, and dancer, and she is currently working toward her doctoral degree as well as writing her autobiography. Lorraine and her husband Ric Le'Mon along with his band "The Menagerie" entertain regularly at local venues. They are members of the First Baptist Church of Kerrville.
