

*I am the resurrection and the life, saith the Lord;
he that believeth in me, though he were dead, yet shall he live;
and whosoever liveth and believeth in me shall never die (BCP 469)*

Dear St. Peter's Family,

Happy Easter to you! It is on Easter Day and in these great fifty days of Eastertide when we fix our hearts on the open tomb, where true joys are to be found. Let us welcome this season that brings us true happiness.

Many of us likely took on certain disciplines in the season of Lent (giving up chocolate or reading a Lenten devotional), and now that we enter this joyful Easter season, I suggest that each of us take on something else. In a most appropriate season to do so, I encourage you to plan your burial service. I encourage you to do so because this season is at the heart of our burial rites; we locate our burial rites and customs in the sure and certain hope of Easter.

In our Book of Common Prayer, the notes on the order for burial say, "The liturgy for the dead is an Easter liturgy. It finds all its meaning in the resurrection. Because Jesus was raised from the dead, we, too, shall be raised" (BCP 507). So, in this season of Easter, what readings or hymns speak to your heart of hearts? What words and hymns do you hear that reaffirm your faith in the resurrection of Jesus Christ? We enjoy this season and celebrate how God has destroyed death, and brought life and immortality to light.

On Easter Day and during this Eastertide, we recall the promises made to us. The Easter proclamation that Jesus has been raised from the dead is the message in which we place our ultimate trust. We too will be raised, and we discover a freedom to truly look ahead, beyond this side of the grace and know that the joy of Easter will last forever. The Book of Common Prayer goes on to say, "The liturgy (for the dead), therefore, is characterized by joy, in the certainty that 'neither death, nor life, nor angels, nor principalities, nor things present, nor things to come, nor powers, nor height, nor depth, nor anything else in all creation, will be able to separate us from the love of God in Christ Jesus our Lord.'"

In this edition of the Rock Road, we have included the Funeral Planning Worksheet. This worksheet is a gift to you to remind you of your own resurrection as you plan the readings and hymns for your service. Perhaps in the true spirit of Easter happiness, consider this planning to be a gift, and not a burden. St. Augustine reminded us that Christian burials allow us to love what we know in this world, even as we hope for the next one.

Fr. Mike and I are here to serve you as your priests. We are here to serve you in *all* your days. So, feel free to visit with us about what readings or hymns you would like included in your burial service. We are here to join you in celebrating Easter and all that the resurrection brings to us.

A Message from Fr Mike

I was patronizing a local Kerrville business recently and headed to the checkout register when I happened upon a woman of obvious means (if her branded purse, luxury car and sparkling diamonds said as much) rather loudly haggling over a purchase she wanted to return. As it was a food item, the proprietor was meekly declining and told her exactly why he couldn't refund her partially-opened product. She wasn't having any of it. She got louder and more persistent, embarrassingly so, I thought. The owner returned her rudeness with a calmer, quieter response, never once becoming angry in the face of her belligerence. I was thinking of what First Lady Barbara Bush once called Vice-Presidential candidate Geraldine Ferraro: "...why that rich..."...but he was as nice as a person could be under the circumstances. I wanted to tell him so but I left before her long tirade was over, still wrangling over a few dollars. He wanted to make her a happy customer but he failed. I presume she prevailed. She probably remains unhappy.

What does it take to make you happy? Me, happy? Let me say here that I believe that's a misguided question and a dead-end pursuit. "Happiness" comes and goes according to life circumstances, and more often than not, is out of our control. I'm reminded of a (true) story of a college kid attending a privileged New England institution writing to his father who had sacrificed much: "Dad, I'm just not happy. I want to come home." Father's retort: "There will be time enough to be happy after you graduate Harvard. Stay put."

The antidote to unhappiness really isn't about getting what we think we want or is due us. The real, true, deep answer is...JOY. Joy satisfies the soul. Joy can be intact even in the face of great adversity (and in the presence of unhappy customers). Joy can illuminate absolutely everything. And we find the source of our greatest joy in our Risen Lord, triumphant over Death, Hell, the Grave... and angry, joyless people.

Christ extends that joy to each of us. And our response is: "Alleluia!"

A blessed, joyous Eastertide to you,

Mike+

Special women in our lives ...

Dear Friends of St. Peter's School,

We know you are familiar with the high quality of education our school provides young children throughout Kerrville. Our needs are many: meeting scholarship demands, purchasing current educational materials, controlling tuition costs and recruiting the highest quality teaching staff.

In order to maintain our high standards, we are asking for your financial assistance in our Twenty First Annual Mother's Day Appeal. Below is a donation card. Please fill in the names of special mothers and grandmothers and return your card. The children will honor these special women in their prayers at our Annual Mother's Day Chapel on Wednesday, May 9th.

Thank you for your continued support of St. Peter's School and its children.

GENERAL MEETING AND LUNCHEON

THURSDAY, MAY 3

TUCKER HALL

GATHERING AT 10:00

MEETING AT 10:30

LUNCHEON TO FOLLOW

SPEAKER: REVEREND MIKE WHEELER

Church Periodical Club Sunday, May 6th Ingathering

The Church Periodical Club—dedicated to the Ministry of the Printed Word throughout the world—was founded in 1888 by Mary Ann Drake Fargo, wife of a member of the Wells, Fargo Express firm. Mary Ann and her friends in the Church of the Holy Communion, New York, “sent bundles of church periodicals, prayer books, and Bibles via the Wells Fargo Stage Coach Line to clergy and laity, missionaries and Indians in the Dakotas, and the ‘far west’” (<http://www.churchperiodical.com/history-organization.html>).

The CPC, an affiliated and growing mission organization of the Episcopal Church, continues to serve by supplying reading, study, reference, teaching, and devotional materials free to those who cannot otherwise obtain them. Wherever the Episcopal Church is at work—at home or abroad, in inner city or seminary or distant mission outpost—CPC books, periodicals, weekly church bulletins, and other reading materials are there as well.

The work of the Church Periodical Club is financed by the contributions of individuals and parishes. Supporting CPC is one of the most effective ways of carrying out Christ’s command: “Go, ye, therefore, and teach all nations...” (Matthew 28:19 KJV)

On **May 6**, a special collection will be taken up at all three services during the offertory for the use by the Church Periodical Club’s National Books Fund Program. Last year’s contribution of \$668.05 by our parish helped fund \$11, 591 for 14 domestic parishes and programs (including Al-Anon literature for Camp Capers!), as well as over \$52,000 for four African parishes and dozens of Tanzanian seminary (or other Christian training center) students.

Find an envelope in your service bulletin. For more information on the CPC’s National Books Fund visit <http://www.churchperiodical.com/national-books-fund-history.html>.

Attention High School Seniors

Each year, the Episcopal Church Women (ECW), recognizes and honors St. Peter’s graduating high school seniors with a scholarship and a gift. In order to receive the scholarship, the student must be a Baptized and Confirmed Episcopalian, be an active member of the church, (weekly attendance, Sunday School, acolyting, etc), and must submit an application. Applications have been mailed. If you are a graduating high school senior, and have not received an application, please call me at 830-459-3354. Completed applications can be mailed to me at **Barbara Cordova, 151 Paradise Ave., Kerrville, TX 78028**, or placed in an envelope labeled **Attention: Barbara Cordova**, and dropped off in the church office. Deadline to submit an application is **Sunday, April 15**. Certificates of award will be presented at your school’s senior awards ceremony. Seniors will be recognized and presented with a gift at the 9:30 service on Youth Sunday.

Blessings,

Barbara Cordova

UNITED THANK OFFERING (UTO) SPRING IN-GATHERING MAY 20, 2018

Psalms 100:4 (NRSV)

Enter His gates with thanksgiving, and His courts with praise. Give thanks to Him, bless His name.

If you are new to the Episcopal Church and unfamiliar with the “Blue Box”, the “In-Gatherings” and UTO, perhaps the following will shed some light on what they mean.

What is the United Thank Offering?

The United Thank Offering is a way for each of us to express tangible *thanks to God* for all our many *blessings*. United with other Episcopalians in offering *prayers* and *money*, we reach out to our neighbors around the world.

What is the story of U.T.O?

For over *100 years* the *prayers and coins* in the “*Blue Boxes*” have grown into millions of dollars to help many people. *UTO* is very different from other groups. We are not fund-raisers and we do not collect contributions or donations. These thank offerings are gathered in twice a year in the *Spring* and *Fall* when we are called to “*In-Gather*” the “*Blue Boxes*”.

What do we do?

What we do in the United Thank Offering is first *offer our prayers of thanks to God*. This is the major difference between us and other groups; *we are prayer-oriented*. Then, we give tangible thanks for the blessing. This money is an offering, not a donation, and that is the word we always use; an “*offering*”. We do this every day because we receive blessings every day, not just once in a while. ***UTO is not just for the women of the church. It is for every communicant nationwide.***

If you do not have a Blue Box, you will find some on the table in the narthex, or on the tract rack in the Parish Hall. ***Remember Spring UTO In-Gathering Sunday May 20, 2018.***

More on the story in the May Rock Road and Sunday Bulletins.

UTO Chair-Margaret Galloway

Music Notes

On May 19, St. Peter's music director David Miron will host an organ concert/hymn sing in the church at 5 PM, to be followed by a wine and cheese social. There will be several organ pieces based on hymns, and the congregation and community are invited to submit two favorite hymns per person by email to david@stpeterskerrville.com by May 12. While all favorites can't be included, David will select from the ones submitted and also introduce a few new hymns as well. Come learn some new music, sing some old favorites, and enjoy social time together afterwards!

Christian Formation Ministry Assessment on April 8-10 at St. Peter's

Dear church family,

Father Bert and I have been working together with Jamie Martin-Currie, Missioner for Christian Formation at The Episcopal Diocese of Texas. We have scheduled her group of consultants along with herself to offer an assessment of our Christian Formation Ministry on April 8-10.

The consultants will assess and evaluate our Christian Formation Ministry programs through attending our worship, attending Sunday school and meeting with 5 listening groups (10-12 folks per group) that have been formed representing various age groups at St. Peter's (youth, youth parents and graduated youth, young adults, working adults and retired adults). The consultants will then present an assessment and meet with the newly formed St. Peter's Christian Formation Leadership Commission. The Leadership Commission will take the final plan moving forward and take ownership of the vision and mission of our church by helping guide, direct, and implement the plan.

Father Bert and I invite you all to be a part of this process at the ground level by completing the survey that was emailed to you on Wednesday, March 21. The survey must be completed by April 7. Thank you!

This is an exciting, energized and growing time in our parish.

Blessings to you all!

Linda Jordan
Director of Parish Life

March Vestry Highlights

The Vestry met on Monday, March 19, 2018 at 5:30pm. Fr. Bert opened the meeting in prayer, and at the beginning of the meeting, the Vestry approved the minutes from the February 20 meeting.

Catherine Schulte delivered the Financial Report and followed up to the previously emailed report from Chrisie Jennings. February continues to be pretty typical for beginning of the year financials (some annual renewals on items, paying still for Christmas ads, and their effect on the YTD percentages). Overall, our income is at 22% and our expenses at 17%, a desirable ratio. Our budgeted figure for income and expenses at this point of the year should be 17%. The Vestry approved the Financial Reports as presented.

Dee Elliott, the School Board/Vestry liaison, reported on the ministry of the school. Dee reported that both the Kindergarten and library staff positions have been filled. Ms. Paige Fletcher will be the new Kindergarten teacher and Ms. Hufstедler will be the new librarian in the next academic year (they are actually switching places). The school remains at full capacity. The school fundraiser luncheon raised \$27,568. The state inspector made a visit to the school, and there were no problems. The calendar for the 2018-19 academic year will follow the KISD calendar with the exception of Christian holidays which include two and a half more holidays on the St. Peter's calendar. The names of two new school board members will be given to the vestry at the April meeting. Chris Alvarez-Chedzoy and Deidra Harmer will be rolling off the school board. The school board discussed alternative ideas for next year's fundraiser with the idea of an evening event when more alumni can attend.

Catherine Kern reported from the Safe Campus Committee. The recent safety training offered by the Kerrville Police Department was discussed. A camera system is being looked into by Lee Underwood. Janet Boutin will be contacted to find out if the church could tie into the school's camera system. Basic CPR training to volunteers and having AEDs on the church campus was also discussed.

There was no report given from the ECW.

There was no report given from the Newcomers Ministry.

Rich Schneider reported on behalf of the Finance Commission. While the Stewardship Commission works in relation to the Finance Commission, the Stewardship Commission has expanded to include Mickey Horany (Chair), Fr. Bert, Richard Eastland, and Scott Herman. The Stewardship Commission intends to incorporate year-round stewardship (as stewardship is something done all the time) and consider fresh ideas for the stewardship in our parish. The Planned Giving and Endowments Committee (sub-group of the Finance Commission) includes Jim Hayes and Ross Rommel. More information on the work of this committee will be presented at a later time. The Budgeting and Operations Committee (sub-group of the Finance Commission) will include Stephen Drane (Chair) and Lou Ann Maxwell. The Finance Commission proposed that three signers be added to the bank accounts. The motion was carried to have the Senior Warden, the Junior Warden, and the Finance Commission Chair as the signers on the church accounts. The next Finance Commission meetings are scheduled for April 9 at noon and May 14 at noon. The Commission will schedule a June meeting, if needed.

Mickey Horany announced the date and topic for the upcoming Abide in Me conference. The conference will be held at TMI on Saturday, June 9 and the topic will be Living Stewardship. More information about the conference can be found at the DWTX website. Mickey and Fr. Bert encouraged to attend the conference.

Stephen Drane reported on behalf of the Junior Warden, Lee Underwood. Stephen reminded all of the clean-up scheduled for Saturday, March 24, and he encouraged everyone to consider helping that day. Stephen reported on options for the replacement of the fountain in the courtyard. The quoted cost on a replacement is \$1,980 which includes the shipping from Mexico. The old plaque would be put on the new fountain. New plants need to be planted in the new plastic pots. Laurel trees have been removed from the old pots and planted in the ground.

Rich Schneider, Senior Warden, reported to the vestry. He shared how he continues to support Fr. Bert through the process of the search for the new Parish Administrator.

Fr. Bert Baetz reported to the vestry. Fr. Bert reported on this busier time of the church. He and Fr. Mike have conducted two trainings for LEMs, adding a few more LEMs to the newly named St. Paul's Guild. Fr. Bert wants to also consider an usher training sometime later in the spring. Fr. Bert reported that the feedback on the Lenten Suppers and Speakers has been positive.

Continued on Page 9

March Vestry Highlights continued from page 8....

Fr. Bert encouraged the vestry to attend Holy Week services. He offered a quick overview of the Holy Week services in the Book of Common Prayer, and he led the vestry to the point in the Easter Vigil service when the bishop may perform confirmations, receptions, and reaffirmations. Fr. Bert challenged the vestry to reaffirm their baptismal vows in the presence of the bishop. Fr. Bert shared his appreciation to Stephen Drane who made a new cross to be used in the Good Friday liturgy. Fr. Bert feels like we have good prospects for the Parish Administrator position and hopes to soon fill the position.

Under Old Business, Fr. Bert encouraged the vestry to continue to share by email their thoughts on the pros and cons of electing vestry members earlier than the Annual Parish Meeting.

The rector and vestry closed with the Lord's Prayer and the meeting adjourned.

The next meeting will be Monday, April 16 at 5:30pm in the Multi-purpose Room of Tucker Hall. As always, anyone in the parish is welcome to attend. If you wish to be on the agenda and speak, however, please notify the Rector no later than the previous Wednesday, April 11, when he writes the Agenda and then emails the Agenda to the Vestry.

Hello from Chrisie

Hello from the thawing tundra of Minnesota! I thought I'd provide a little update now that it has been about six weeks since I left Texas!

I am definitely adjusting to life in Minneapolis, and loving it! Besides initial loneliness and technical difficulties (i.e. trying to figure out how an Android and iPhone can "facetime" to each other), all has been going very well. I've settled into a nice daily routine, am loving my new job, and more importantly, I definitely feel home! I am doing my best not to inherit the Minnesota long "Os," however I've discovered a new oddity here....people, when they are really trying to emphasize something, end their sentence with an "up swing" tone. I'm more afraid that I might pick up this habit than anything else! Next time I'm in Texas (for a week beginning 5/24), ask me to demonstrate this for you. Ha!

Minnesota, as you may know, is the healthiest state in the nation. I'm getting caught up in that culture and hope it will pay off, and stick. I'm eating well, sleeping well, and I even spend 30 minutes a day on the treadmill at work (if I wanted, I could "sign out" a treadmill desk!).

Weekends are spent spending a too-large amount of my paycheck at the grocery store buying fancy, health foods (cost of living is higher), walking around Lake Calhoun, or hanging with my cousin and friends, trying to have new experiences. **Next column**

E.C.W. Charitable Giving – Spotlight

St. Peter's E.C.W. is proud to spotlight **B.T. Wilson's Outdoor Education Program** as a worthy recipient of E.C.W. donation's made possible through the efforts of our Cottage Shop Volunteers. Our donation's support the B.T. Wilson's Outdoor Education Program & Teachers that take their student's to an overnight camp experience at Echo Valley Ranch. Students get to participate in activities that are life altering experiences unlike what they experience in their school day such as archery, animal tracking, special speakers, and enjoy the camaraderie of fellow students and their teachers. Thank you St. Peter's Episcopal Church Women for your support of this and other worthwhile programs.

The ECW Board

Continued

I have spent too much time pondering why anyone would go out on the lake ice when there is a "thin ice" sign (and standing water), or why there are so few car washes when there are hundreds of thousands of cars covered in road salt, and "what type of boots are considered 'cool' for teenage boys?"

The biggest, and best, part of being home is the people. I forget how down-to-earth Minnesotans are....and how there really don't seem to be too many rules about what's okay to talk about and what is not okay to talk about. If you know me, you know this is welcomed, seeing I like to talk about all sorts of things. It's almost like having my close Texas friends with me everywhere I go here. Ha!

I've really enjoyed still being in touch with St. Peter's folks and working with Fr. Bert! If I'm honest, I feel like I'm still just as much a part of the team, but on a limited basis. I like that.

I hope y'all might drop me a note sometimes!
