St. Peter's Episcopal School

February 2019

naeyc

Message from the Director: Janet Boutin

The month of February gives us an opportunity to celebrate Valentine's Day and the special blessing of grandparents. We will be inviting grandparents to visit the School during our **23rd Annual Grandparents' Week** to be held February 11th—15th. On Wednesday, February 13th, at 9:00 a.m., grandparents and other family members are invited to attend our Children's Chapel. The Children's Chapel is held in St. Peter's Church. Please plan to attend.

The School Board would like to thank everyone for their support of our Scholarship Drive. This year, a total of \$4,750.00 was raised. 100% of these funds will be used for scholarships. We appreciate your support of our School and Parent Association fundraisers.

Registration for the 2019—2020 school year will begin February 19th. Information regarding registration will be sent home the beginning of February. If you know a family that would be interested in receiving this information, please have them contact the school office at stpeterskerrville@hotmail.com or 830-257-0257. Enrollment packets can be completed on this website.

It all benefits the children!

BEE LOVED

**Message from the Parent Association:
Amanda McDonald, President**

Our next Parent Association meeting will be held on Friday, February 1st at Noon in Tucker Hall.

We are gearing up for the Spring Fling to be held Thursday, May 9th at the Cailloux Theater. Watch for details about the Silent Auction and Children's Art Auction coming soon. Please contact us if you can donate items for the Silent Auction. We still need volunteers for the Spring Fling.

It all benefits the kids!

Love one another

Thank you!

We would like to thank St. Peter's Church for making the School the recipient of their Christmas 2018 Giving Tree Program. We have been blessed with an abundance of additional school supplies in all of our classrooms.

Thank you,
Janet Boutin and St. Peter's Staff

Important Dates

Parent Association Meeting: Friday, February 1st at Noon in Tucker Hall.

School Board Meeting: Monday, February 11th.

Grandparent's Week: February 11th thru 15th.

Grandparent's Chapel: Wednesday, February 13th at 9:00 a.m. This is an all school chapel celebrating grandparents. All grandparents are invited to attend.

School Holiday: Monday, February 18th—closed for President's Day.

Priority Registration: Tuesday, February 19th—Friday, February 22nd. Current school families register for 2019-20. Access, type and download enrollment packets on this website: www.stpeterskerrville.com.

A Message From the School Board

Next year, we will be raising our prices for After School Pre-School and Elementary. All other prices to include morning tuition, supply fees, Early Birds, Gymnastics and Kid's Day Out will remain the same.

Please visit our website to review 2019-20 tuition and fees or feel free to contact the School Office with any questions.

Thank you for choosing St. Peter's School

2018--19

Severe Weather

This is just a reminder that in the event of severe weather (flood, ice, etc.) St. Peter's School follows Kerrville ISD school closings.

If there is severe weather, please check the KISD website (www.kerrvilleisd.net) or tune to local radio stations for information regarding KISD school closings. Whatever KISD does, St. Peter's School will follow (if they close school, we will too. If they delay school opening, we will follow).

Note: No make up days.

"Health and Safety At School"

Pets at school . . .

As spring approaches, students want to bring baby animals to school. All pet visits must be cleared with the Office. Animals must have proof of current vaccinations, be highly supervised and friendly.

Please remember that some of our students are afraid of animals or allergic to animals.

Dress Code

Children are expected to wear comfortable, casual, wash and wear clothing to school.

Tennis shoes

should be worn at all times. Sandals, boots, and other hard-soled shoes are not appropriate or safe for the playground. It is also recommended that clothing worn be easy for your child to get on and off by themselves. St. Peter's t-shirts are required for all off-campus activities.

NAEYC Learning Center Fun

Blocks: In the block center I'm developing math concepts and motor skills. I'm also learning how to share and work with my friends. I may use these skills as an architect or builder when I grow up.

Library: In the library center I'm learning to love books and I'm practicing my reading skills.

Art: The art center gives me the opportunity to develop my creativity and express myself. As I experiment and have fun, I'm also developing social skills and small muscles.

Dramatic Play: When I pretend and play dress-up, I'm learning how to be a mommy, daddy, doctor, teacher, or police officer. Dramatic play also fosters my language and social skills.

Science: I can observe, experiment, predict, and discover new things in the science area. These are the same things real scientist do.

Math: The math center develops my problem-solving skills and gives me hands-on experiences in counting, comparing, patterning, and measuring. I may use these skills as an accountant or computer programmer when I grow up.

Music: As I play instruments and sing, I'm expressing myself and developing listening and language skills. Music just makes me feel good!

Writing: The writing center has lots of interesting materials so I can learn how to write stories, letters, books, and more. Maybe I'll be an author when I grow up.

Manipulatives: When I play with puzzles and manipulative materials, I'm developing eye-hand coordination and learning to complete tasks.

Outdoors: Out on the playground, I'm releasing energy and developing strength, coordination, and a strong, healthy body. I love to play outside with my friends at school.

I am working, playing and discovering in my own way in "Learning Centers" each day!
