Dear St. Peter's Family,

The Episcopal Church has its roots in the ancient church, and we preserve certain traditions that carry the living faith from one Christian generation to the next. The Easter Vigil is the most ancient liturgy you will find in our Book of Common Prayer, and it is the service in which you will find the most meaning to Easter.

This fourth century liturgy carries us from death to life through fire, light, word, water, bread, and wine. Leonel Mitchell writes, "A new fire is kindled, a great candle is lighted, by its light the Bible is read, prayer and praise are offered, and we celebrate the Easter sacraments of baptism and eucharist." In preparation for the Paschal Feast, we have planned a Lenten series based on the five marked signs and elements that lead us from death to life: light, word, water, bread, and wine.

Lenten Soup Suppers begin Wednesday, March 13, with supper at 5:45pm followed by the Lenten speaker's talk at 6:30pm. The evening concludes with Compline in the church at 7:15pm. We will welcome five speakers, all clergy in the Episcopal Church, to speak to the five marked signs. Each speaker will reveal the rich symbolism in one element and how that particular element informs and transforms our Christian lives. Please see the schedule and list of speakers, and join us for this time to enrich your Lenten journey.

Looking Ahead to Holy Week:

The Rev. Dr. William H. Willimon is an internationally known and respected preacher and author. And, he will be with us for Holy Week!

In anticipation of Will Willimon's visit, Frs. Bert and Mike encourage you to read Willimon's recent publication, Thank God It's Thursday which is the prequel to Willimon's highly successful, Thank God It's Friday.

In Thank God It's Thursday, Willimon follows the book of John and focuses on Jesus' teaching of his disciples prior to his own death, but also before their own hour of decision. The climax of the Gospel is when Jesus pours out his life on the cross -- surely an enactment and demonstration of the power of God's self-sacrificial love.

So to sustain and fortify his followers for the difficulties ahead, Jesus prepares them by teaching and offering sacraments of self-giving, through which they (and we) experience the grace and presence of the risen Lord. This book can equip Christians to face their hardships as they humbly serve with the promise of God's abiding presence already made good by his outpouring of sacrificial love. Written with the clarity, depth, and insight that are Will Willimon's trademark, this book offers afresh the challenge and grace of the message of the Resurrected One.

Fr. Bert, Fr. Mike, and Pastor Sam will incorporate lessons from the book into their homilies delivered in the Wednesday evening Eucharists during Lent.

So, order your own copy of Thank God It's Thursday or pick up a copy in the church office for \$11. Take advantage of this opportunity to further enrich your Lenten journey and prepare yourself for the holiest week of the year.

Children and youth are THE FUTURE and THE PRESENT of our church!

We at St. Peter's are in the process of searching for a Children's & Youth Minister to join our staff, and a search team has been formed to help with this process. In your prayers, please include the search team and the person to eventually join us as our Children's & Youth Minister.

February Vestry Highlights

The Vestry met on Tuesday, February 19, 2019 at 5:30pm. Fr. Bert opened the meeting with a prayer and a reading from Isaiah. Fr. Bert also introduced a new practice for Vestry Meetings by inviting a few Vestry members to share life and ministry moments. Then, the Vestry approved the minutes from the January regular vestry meeting and the January vestry meeting that followed the Annual Parish Meeting.

The January financials had been emailed to the Vestry by the Controller, Kristie Keese. The financials had also been reviewed by the Finance Commission. The reports showed that our overall income is at 16% and expenses are at 10%. It was reported that approximately \$133,000 has been given to the down payment toward the purchase of the Jefferson Manor apartments. The Vestry approved the Financial Report as presented. The Vestry also moved to allocate a recent unrestricted bequest: 50% to be put into the general reserve and 50% to be put into the Rock of St. Peter's Endowment Fund.

On behalf of St. Peter's Episcopal School, Dee Elliott reported that the school is busy preparing for celebration in March, which is honoring what would have been Red Bond's 100th birthday, and also marking the school's 50th year. There are 3 or 4 tables that are still in need of team captains, and members of the Vestry were encouraged to consider signing up for this. Anyone who is interested in doing so should contact Elizabeth Schneider for further details and to sign up.

Jim Hayes reported on behalf of the Endowment Board. Jim Hayes reported that the Commission has been able to see the video that will be shown to the congregation on March 3rd in Tucker Hall. The purpose of the video is to explain the Rock of St. Peter's Endowment Funds, and it is intended to inspire parishioners to consider a gift to the Rock of St. Peter's. The video has been designed to encourage and educate parishioners on how they can make a lasting gift to the church through the Rock of St. Peter's Endowment Fund. In direct response to this new initiative with the Rock of St. Peter's, Fr. Bert was able to report that parishioners have recently made arrangements to include St. Peter's in their wills.

Stephen Drane, Junior Warden, reported to the Vestry. Stephen reported on a bid to repair a second heating and air conditioning unit in Shelton Hall. The Vestry took action to accept the bid and proceed with the work to be done. Stephen reported that David Miron is currently working on the repair of a wind regulator in the organ and that David plans to have organ ready for worship on Sunday, February 24. The church has received two bids for waterproofing the area where the organ is located, and no decision has been made at this time. Stephen also reported that the Health Inspector recently visited St. Peter's, and St. Peter's received an excellent report from the Health Inspector.

Lou Ann Maxwell, Senior Warden, reported to the Vestry. Lou Ann updated the Vestry on the purchase of the Jefferson Manor apartments. It was reported that the apartments will be managed by the MacDonald Companies and that the St. Peter's Finance Commission has been and will continue to work in conjunction with MacDonald on the next steps in the property acquisition.

Fr. Bert reported to the Vestry Father Bert reported that the staff has been busy preparing for the Lenten Season. He and Father Mike will teach a Sunday morning Adult Christian Formation Class during Lent while Pastor Sam covers the Youth Formation Class during that time. Fr. Bert reminded the Vestry about our Holy Week Preacher, the Rev. Dr. Will Willimon, an internationally known preacher and author. He will encourage the parish to read Willimon's book Thank God It's Thursday, which will be a good primer for all of us, considering that Willimon will be with us on Maundy Thursday. Fr. Bert reported that he has eight people in his Episcopal Way class, and some of those in the class will be confirmed or received on March 3. The DC trip for the youth on March 9th-14th has been funded, and there will be a meeting with parents, the youth, and chaperones on Tuesday, February 26th at 5:30 pm in the MPR. Fr. Bert shared an update on the search for a Children's and Youth Minister. He has been in contact with Steve Schneeberger at the Youth Ministry Institute to help with the search. The Institute can post job descriptions, screen and vet candidates, recruit "best fit" candidates based on the parish's needs, and coach our search team on effective questions and processes for interviewing candidates. The Children's and Youth Minister search team includes Betty Mosty (chair), Jenny Ligon, Amy Richards, Carter Crain, Calvin Smajstrla, and Rolinda Schmidt.

The Senior Warden and others who attended the Vestry Retreat were able to share some of the highlights and takeaways from the retreat. This was in an effort to bring the entire vestry into the work done on the retreat. The Vestry will continue to work with the insights gained and the team-building that occurred on the retreat.

There was no new or old business on the agenda. The Rector and Vestry closed with the Lord's Prayer and the meeting adjourned.

The next meeting will be Monday, March 18, at 5:30pm in the Multipurpose Room of Tucker Hall. As always, anyone in the parish is welcome to attend. If you wish to be on the agenda and speak, however, please notify the Rector no later than the previous Tuesday, March 12, when he writes the agenda and then sends the agenda to the Vestry.

Come walk St. Peter's Labyrinth during Lent!

If you have never walked a labyrinth and have questions about walking it, please call Dee Elliott at 830-329-5122 or email Dee at deeelliott@hctc.net.

The Labyrinth is a spiritual walk that can help bring peace to your life. "Try it, you'll like it!" Dee will be at the Labyrinth on **Ash Wednesday, March 6th at 11:00am** to walk the labyrinth, and to answer any questions you may have about "the walk."

Thanks be to God for all who gave for
their many blessings at our

others could be blessed.

Truly an answer to prayer!

We ask all to be praying for our UTO

Rock of St. Peter's Endowment

St. Peter's Episcopal Church recently decided to heighten our parishioners' awareness of its endowment. The Rock of St. Peter's Endowment was established 60 years ago and through gifts and bequests from parishioners and others has grown to about \$2.2 Million.

Our endowed funds are managed by skilled investment advisers working at our direction through the Diocese of West Texas. Your parish leadership has traditionally worked with these advisors to ensure that our endowed funds are prudently and conservatively invested. The primary consideration has always been the preservation of principal and the generation of a conservative yield. At the direction of our Vestry, the yield may be used by the parish to accommodate the needs of our church, so long as it is consistent with the intent of the donor.

For many years our parish has struggled financially. Your Vestry spends untold hours each year trying to provide a balanced budget for our parishioners. It works with the dollars pledged to keep church operations running smoothly while trying to fulfill our mission of knowing Christ and making Him known to others. That is a tough nut to crack. Your church leadership has struggled continuously to break through what, in a certain sense, is a self-inflicted financial barrier.

It has become obvious to our parish's leadership that the answer to this riddle lies in the Rock of St. Peter's Endowment. By increasing the size of our endowment, we could significantly diminish our parish's habitual concern over budgetary shortfalls and financial constraints. The current endowment yields approximately 5% annually. If we increase our endowment significantly over a 10-year period to say \$8 Million to \$10 Million, imagine how that would work to unshackle our parish from financial constraint and enhance our ability to fulfill our mission of making Christ known to others. Although those are very large numbers, achieving that goal is not an insurmountable task.

Our endowed funds are increasing and compounding annually through tax free growth. Much of the appreciation needed to reach a lofty 10-year goal of \$8 Million to \$10 Million would come from the growth of funds currently in the endowment. Add to that gifts made by parishioners to the endowment over the next 10 years and our goal is imminently reasonable. A 5% yield off an \$8 Million to \$10 Million endowment would be \$400,000 to \$500,000 a year, a significant percentage of which could be used to fund parish operations.

Is St. Peter's more than a "get by" parish?

In our diocese and most others there are "get by" parishes and "get with it" parishes. A "get by" parish is one that habitually struggles to just get by. To raise enough income one way or another just to keep the church doors open, the staff paid and to perform minimal outreach. On the other hand, there are "get with it" parishes. Such a parish is one that does not let itself be crippled by financial constraint and worry. It is one that through sound financial planning and giving allows itself to go forth unfettered in the pursuit of its Christian mission and discipleship. It is one that makes plans for a future it cannot see. We must not let ourselves slide into the realm of the "get by" parishes. Look at the wonderful outreach our parish performs through initiatives like the Cottage Shop, St. Peter's School, the ECW, the Daughters of the King, and the Habitat House last year, just to name a few. But also think of how much more we could do without the ever-present strain of financial worry and constraint.

Friends let's grab this initiative and ensure that we become solidly ensconced in the ranks of the "get with it" parishes. And we can do that through the generous support of our endowment. Thank you for giving this serious thought.

Respectfully submitted,
A. Ross Rommel, Jr.
Chair, St. Peter's Endowment Commission
